

HELP YOUR EMPLOYEES BE THE CEO OF THEIR COMMUTES!

Add vanpooling options to the benefits package.

RideFinders can help.

Employer Benefits

- When employees commute in vanpools, they are more likely to arrive on time and ready to work.
- RideFinders Account Executives can host or participate in virtual or in-person transportation and/or benefits fairs and help you establish pre-tax commuter benefits.

Corporate Stewardship

- Reduce your company's carbon footprint by helping reduce air pollution through offering vanpooling options. Vanpooling = less cars on the road, less pollution.
- Receive recognition by RideFinders as a Clean Air partner.
