5. Hours of operation: Monday through Friday, 7 a.m. – 7 p.m. For unexpected overtime that requires the commuter to work past 7 p.m., the commuter must request their trip prior to their regularly scheduled work end time and no later than 7 p.m. The trip can be arranged to pick up the commuter after 7 p.m.

 9. Falsifying information, use of the program for a non-qualifying trip or abuse of the program in any way, will result in the commuter being prohibited from using the program. The offending commuter may be required to reimburse the ConnectingVA program for fraudulent trips.
 10. "No shows" – If a commuter does not show up for their scheduled trip, the "no show" will count as one of their allotted trips. Exceptions to this rule will be on a case-by-case basis if the commuter experienced an unavoidable circumstance that prohibited them from taking the ride or if the Uber, Lyft or taxi did not show up as requested.
